Alexander Pavlov, EBRD, has confirmed his participation in Forum on Financial Stability
12-08-2009

Alexander Pavlov, Senior Banker leading the FI operations in Ukraine, EBRD, will speak at the conference Forum on Financial Stability, September 18.

More about our speakers

The EBRD is an international financial institution that supports projects in 30 countries from central Europe to central Asia. Investing primarily in private sector clients whose needs cannot be fully met by the market, the Bank promotes entrepreneurship and fosters transition towards open and democratic market economies.

The EBRD is the largest single investor in the region and also mobilizes significant foreign direct investment into its countries of operations. The Bank invests mainly in private enterprises, usually together with commercial partners. It provides project financing for the financial sector and the real economy, both new ventures and investments in existing companies. It also works with publicly-owned companies to support privatization, restructuring of state-owned firms and improvement of municipal services.
